Re: Petition of Global NAPs South, Inc. for Preemption of
the Jurisdiction of the Virginia State Corporation
Commission
CC Docket No. 99-198

Dear Ms. Salas:

On May 19, 1999, Global NAPs South, Inc. ("GNAPS") filed the above-referenced petition requesting preemption of the Virginia State Corporation Commission's ("VSCC") jurisdiction over a certain proceeding involving an interconnection agreement sought between GNAPS and Bell Atlantic-Virginia, Inc. Although GNAPS seeks to preempt the VSCC, GNAPS did not serve a copy of its petition on the VSCC. (Nor is the certificate of service to GNAPS' petition, which evidences service only on the FCC and BA-VA, signed by any of the attorneys of record listed on the petition.)

When the VSCC finally learned of GNAPS' petition last week, we immediately advised GNAPS of its failure to serve us. We understand that by letter to you dated May 26, 1999, (a copy of which is enclosed) GNAPS has requested the FCC to extend by one week the comment and response filing dates prescribed in the FCC's May 24, 1999 Public Notice. By this letter, the SCC joins in that request insofar as we ask that the date for interested parties to file comments on GNAPS petition be extended from June 8, 1999, to June 15, 1999.

The SCC further requests that it be added to the FCC's official service list for this docket. Service upon the VSCC should be as follows: C. Meade Browder Jr., Office of General

Re: Request To Amend Public Comment Dates — CC Docket No. 99-198

Dear Ms. Salas:

The purpose of this letter is to request that the Commission modify the public comment dates in this matter from the current schedule (Comments June 8, 1999; Replies June 17, 1999) to a schedule one week later, *i.e.*, Comments June 15, 1999 and Replies June 24, 1999.

This matter involves Global NAPs South, Inc.'s petition to preempt the jurisdiction of the Virginia State Corporation Commission ("SCC") in a dispute between Global NAPs and Bell Atlantic-Virginia. Global NAPs' petition was filed one week ago today (May 19, 1999). Unfortunately, due to an administrative error in my office, the SCC was not served with a copy of that petition. The SCC is being served by fax today and will receive a copy by courier service tomorrow morning. That said, Global NAPs does not want the SCC or any other party to be prejudiced by the delay in service, and the best way to accomplish that result would seem to be to simply extend the comment cycle by one week.
